

HST Connect

Access to quality, cost-effective healthcare is now in the palm of your hand.

HST Connect features:

- ▶ Find a provider with high VDHP acceptance to help minimize the risk of balance billing
- ▶ Compare quality ratings and pricing for specific procedures
- ▶ View deductibles, copays and other plan information
- ▶ Direct dial healthcare providers and get driving directions
- ▶ Get prescription pricing estimates
- ▶ Look up information about procedures
- ▶ Communicate and receive notifications from HST's Patient Advocacy Center and submit balance bills directly through the app
- ▶ Updated cost estimation functionality that is compliant with the Transparency in Coverage Rule and No Surprises Act
