

## Your Employee Assistance Program (EAP) A good resource for mental health support

The EAP can support you in so many ways, especially with your mental health. Access the EAP for **free sessions per issue** (e.g., stress, depression) with licensed clinicians through:

## **Virtual Counseling**

## In-person Counseling

You'll get real solutions for a range of different issues, including emotional health, stress management, as well as grief and loss. Services for all of these concerns — and more — are confidential and available to you and your family.

Your Employee Assistance Program is a free and confidential benefit.
